

He Sets the Captive Free

A child is born, a Son is given
Setting the captive free
Lift up His four-fold name in love
And praise Him eternally

Wonderful Counselor, hear His voice
Setting the captive free
His words bring life and hope and peace
Enduring eternally

Mighty God, Victorious One
Setting the captive free
His sword defeats the hosts of hell
He's risen eternally

Everlasting Father comes
Setting the captive free
Adopting the orphan as His own
He's faithful eternally

Prince of Peace upon His throne
Setting the captive free
And every knee shall bow to Him
He's reigning eternally

A child is born, a Son is given
Setting the captive free
Lift up His four-fold name in love
And praise Him eternally
