New House... New Ministry... New Church Family

We are getting settled in our new house and ministry in Juniata County. Nimonds Independent Church of Richfield, PA. Richfield is located in a long farming valley on Rt 35 between Mifflintown (Rt 322) and Selinsgrove (Rt 15). Our church family meets in the East Juniata High School near Mcalisterville with services at 8:30am & 9:30am. Thanks for your prayers as God answered again and again as we sold our Camp Hill house at noon on Dec 1 and bought our new Mifflin home at 2pm the same day. Just time enough to drive the moving truck up to Mifflin! Friends from Bible Baptist as well as Nimonds gave above and beyond to help us. Pray for us as we connect names with faces, learn their stories, and seek to serve them well in the coming years.

Welcome Drew

Drew (Andrew) was
officially adopted on
December 22nd! We are
all so very thankful for
this new addition to Josh
& Liana's family. God has
so clearly directed all
along the way and we are
thrilled to have Drew as
grandchild #10.

Mongolia in February 2018

We will be teaching the spiritual disciplines of the Bible study and prayer to a new group of house church pastors from Feb 17–26. We look forward to renewing friendship with previous students who will now be teaching along side us, as well as meeting the new group of students. This course is especially important as it lays the foundation for personal spiritual growth, as well as helping their families grow in Christ, as well as their church family. We are thankful that God has provided sufficiently for us to continue making these annual pastor-training trips year after year.

Men's Sportsmen's Banquets

We have two more Sportsmen's outreaches in March and appreciate your prayers for God to prepare hearts—theirs and ours—for this opportunity to make the gospel known to men who are lost. Pray for many to come to saving faith this year.

Thanks so much for your faithful friendship and prayers for us. We could not do these ministries without your support and prayers. You are such a treasure to us. May God bless you greatly as you follow Christ!

In Christ's grace & gospel, Ron & Val
