Mongolian Co-Laborers

We had the delightful privilege of hosting the missionaries we work with in Mongolia: Doug and Cheryl Boisvert with Tri-M Missions, as well as four of the leaders who oversee and lead the Tri-M ministry in the country of Mongolia. On the right is Pastor Moujic and his wife Hungooro, on the far left is Pastor Ahmrah and Pastor Boggi,

They continue to mentor new pastors, also co-teach with us, translate, do all the behind the scenes prep of finding locations, in-county transportation and a myriad of other details so the training can take place. It is a huge responsibility in addition to their regular pastoral duties. We loved the opportunity to introduce them to our church family as they traveled around Pennsylvania visiting the churches and pastors who work with the Boisverts in the training.

Because of God's provision of faithful prayer and financial supporters we are enabled to go every year in February and teach Mongolian pastors who are eager for solid training and practical ministry resources. Because of God's supply we have bought our tickets for this coming February for my fourth trip, where I will be teaching the Book of Acts and God's Mission for the Church. Pray for His Word to be clearly communicated and His servants built up in the faith.

Together with you

It is only as God works in and through us as a team (you and us together) that all these things are possible. We understand that we are only instruments, and He is the Master Builder of His church. Thanks so much for partnering with us in your prayers and gifts and enabling us for this incredible privilege of serving God together with you.

In Christ's amazing grace, Ron & Val
